

PRESCHOOL PROGRAM

5

We have designed a balanced preschool program ready to meet the educational, social, emotional, motor, and creative needs of children 3 to 5 years. Preschool children will be introduced to letters, numbers, colors, shapes, and other basic concepts. Pre-Kindergarten children will be introduced to phonics, pre-writing skills, fine motor skills, reading readiness, and number concepts. Story-time, music activities, and seasonal art projects will be included in the program. Our teachers have an Associate Degree in Early Childhood and 19 plus years of experience in teaching young children. **Children must be 3 years old by September 1, 2017. All children must be able to take care of their own bathroom needs.**
