

PRESCHOOL

5

We have designed a balanced preschool program ready to meet the educational, social, emotional, motor and creative needs of children 3 to 5 years. Preschool children will be introduced to letters, numbers, colors, shapes and other basic concepts. Pre-Kindergarten children will be introduced to phonics, pre-writing skills, fine motor skills, reading readiness and number concepts. Story-time, music activities, and seasonal art projects will be included in the program. Throughout the year the children will be playing, learning, growing and having fun with their peers.

Our lead teacher has an Associate Degree in Early Childhood and 19 years of experience in teaching young children.

These programs are offered 3 hours a day, 5 days, 3 days or 2 days per week September through May. Full year or half year. Children must be 3 years old by September 1, 2018. All children must be able to take care of their own bathroom needs.

For the children enrolled in our preschool program, we are now offering a Lunch Bunch class extension. Lunch bunch is ideal for preschoolers who are ready to extend their day either before or after school and is designed to give your child an opportunity to build on their social learning, develop self help skills, and build relationships with new friends. Each child is required to bring a brown bag lunch - lunch is not provided.

NOTE: Please do not pack any type of peanut or peanut product in your child's lunch. If you are sending your child with a sandwich containing almond butter or like product, please label it clearly so teachers know what it consists of. For more details, call 708-598-1233.
